WORK EXPERIENCE

Videra Health – *Product designer*

Orem, UT | Sept 2021 – present

Conceived and executed innovative designs for mobile and web interfaces as a sole designer on a fast-paced cross-functional team. Drove user-centered design strategies and elevated the overall user experience.

Pillow Cube – *Designer*

Provo, UT | June 2019 - June 2021

Initiated product development as the first employee, driving iterative prototyping and ensuring adherence to specifications. Facilitated seamless communication between engineers, manufacturers, and stakeholders, contributing to a revenue of 10.6 million dollars.

Sprout – *Designer*

Provo, UT | Jan 2020 - June 2020

Showcased agility in learning and swiftly adapting to new programs, underlining a flexible approach essential in design. Collaborated effectively with diverse cross-functional teams to craft elegant products.

Wasatch Design Collective – *Design assistant*

Provo, UT | Jan 2019 - June 2019

Designed origami for the food industry and presented during Milano Design Week.

EDUCATION

Brigham Young University

BFA degree

Completed Industrial Design studies, providing a strong foundation for pursuing passion in design.

Experienced intense engagement in design courses.

Utah State University

Acquired extensive knowledge in art and design through diverse coursework. Attended for one year.
